McComb Local School District:

The McComb Local School district was notified yesterday about railroad crossing repairs taking place at multiple locations within the village of McComb and along SR 613. The railroad provided a schedule of when crossings are to be closed. The dates below **may fluctuate** based on weather and progress. Every effort will be made to maintain the safest route to school but please be aware that during the railroad repairs some buses may be delayed in order to cross open railways.

- PUTNAM/HANCOCK LINE September 11-14
- TOWNSHIP ROAD 115 September 11-15
